

August 2018

Blessings to you who are supporters of this work through your love, prayers, and financially, as well as those who volunteer their time to the work of the Lord. It is truly The Lord's work, not the work of your builder or builders.

Since our last report we spent six weeks working with the Valley MBC of Spokane WA. What a blessing it was for us! We have been blessed to partake of many projects in the Washington area and have made many friends over the years. This past six weeks was no exception, we were truly blessed by the people at Valley as well as the friends from the Bethel church. Our 5th wheel spring broke just as we got to Spokane as we drove into the Budda's home! We love and appreciate them so very much!

While there we helped the church with 4-bathroom remodels, replumbed the entire church as well as helping to add a new kitchen, put up walls for new classrooms, reworked much of the electrical and worked on a new entrance and drive through porch. Two of the weeks we were blessed to work alongside several who came from around the country to help with the Macedonian project. We were blessed to be well represented by others who came from California: John & Esther Thiem, Jay & Lisa Weidner, and Bob & Janet Phillips, along with grandson Adam Dornan! We also had Randy & Debbie Taylor from Kentucky our fellow builders, dearest friends who are such a blessing to us and the Lord's churches too!

We continue to be blessed to be able to work with the new builder from the Bethel Church up in Spokane, Ryan Budda. Please keep him in your prayers and consider him for support as he is currently in the process of raising support, but he has already stepped out on faith and has been working full time.

We will be heading to Denair next, and then Woodbridge. We covet your prayers and continued support for us as we attempt to do the work that we've been blessed to be a part of!

Many more pictures can be found on facebook if your interested ☺
