

# Chapel Builders of California

## Upcoming projects:

January 25<sup>th</sup> we'll be starting the roof for Sister Frakes.

February 8<sup>th</sup> we'll be starting the remodel work at the parsonage in Denair

March we'll be working to repair earthquake damage in Banning, Ca

January 2016! Wow... Our 20<sup>th</sup> year as your chapel builders.

It has been the most wonderful thing for Robyn and I these past 20 years and we look forward to what God has instore for us this coming year...

The past month for me has been tough as I adjust to a post stent life... pray for me as I will be on meds and adjusting my lifestyle to hopefully keeping my arteries clean.

We've got several projects in the works and we'll be starting with a new roof for sister Frakes. Her husband Howard was the first to head up the ministry of Chapel Builders and she is a real blessing to us.

Projects are being lined up for several works in California and hopefully Spokane Wa later this summer.

As usual this ministry counts on volunteers to help with the work, and we ask that you consider helping when you can. Your prayers and financial support for us is also welcome.

There are also several others that are working in the building ministry on a full time bases and they also covet your prayers and support.
