

January 2019

I'm sure like many of you, this past year went by too fast! I'm sitting here thinking about all that is ahead of us and how the Lord blessed us this past year with all that He allowed us to do, and wondering what is in store for us this year. Our plate is full again this year, as you look at our upcoming schedule you'll see just how full it is. We are praying that the Lord will encourage others to come out and help us this year. We have a small crew that is working with us full time but with the current work load we could use more help. Please pray with us for this need as it is real! We have been blessed with some time off during the holidays to spend with family and are getting ready to Begin our first project for the year in Clovis this next week. The planning for many of the projects listed and others is ongoing, I have listed the dates that we have set, please check our website or contact me for dates if you think that you can help on any of the projects.

Upcoming projects:

January we'll be starting a bathroom remodel at the Clovis church on the 14th and will take 4-5 weeks

Antioch remodel will be starting March 4th and will take 4-6 weeks

Our State Association will be the week of April 16th

We'll be in South Bay working on a re-roof project starting the week of May 6th and depending on conditions we'll be there 2-3 weeks

June we'll have a short project in McFarland to install retrofit windows on the church dates will be set as we get estimate of when windows will arrive

Also in June I'll be supervising the re-roof of our sanctuary of our home church in Fresno

Redbluff exterior work and sanctuary will start in July

We'll be working on bathrooms at the church in Folsom in August

In September we will be in Wanatche Wa & St Helens Oregon

There are other Churches that need help and we are trying to figure out where to fit them in our schedule... as you can see we are busy and our crew will be wore out trying to do these projects...

If you can help on any or all of these please know that you are welcome and needed!
